

Abstract Submission Guideline

● Abstract Contents

- Abstracts must be written clearly in English.
- Abstract must be prepared and turned in as word file (doc or docx).
- Abstract titles must be short and clear to show content of the research.
- Abstract affiliations and Author names should be concise and clear.
- Please use Arial font, with 10pt in size and 1.5 line spacing.
- If possible, please make it under 1 page in A4 size.
- When submitting, you must indicate preferred presentation method. (ex. oral presentation or poster presentation)
- Please enter the phone number and email address of the presenter when registering. Confirmation email will go to the submitted email.
- Please attach the files separately as jpeg and table format using doc, hwp, txt, ppt, and xls file.
- It is the responsibility of the submitting author to ensure the abstract is in perfect order with no errors in spelling or grammar.

➤ Abstracts should be structured to include the following sections :

- Title of Abstract
- Author
- Affiliation
- Backgrounds
- Case
- Conclusions
- Points of discussion
